Purchase expert , (February 2020– May 2020)

Pinket

- Pinket is a platform for online shopping from municipal fruit and vegetable markets and chain stores.
- And I was a purchasing expert, and my job was to take orders, buy, and send parcels.
- After spending a month, I was introduced as the company's top purchasing expert
- And I became a specialist consultant for apprentices and taught them how to deal with customers and how to perform their duties.

Education

(January 2020)

Bachelor's Degree in Industrial Engineering

Article

(August 2018)

An overview of green economy concepts
